

## WESTAMPTON INDOOR SOCCER LEAGUE – 2026 SEASON

Welcome back to Westampton Indoor Soccer! This year, playoffs, pictures, and pizza party are all scheduled. Please let us know if you have issues with the Recreation website. We will continue to use this process to communicate with everyone in the program in a timely manner and notify you of any cancellations that may occur during the season. Please let me know via email at [tmitzelman@westampton.com](mailto:tmitzelman@westampton.com) if anything in your account should be adjusted, changed, or corrected. Make sure you have chosen "Opt-in" to receive general email notifications, so you will definitely receive all emails we send that do not necessarily have to do with a cancellation. Please ensure that everyone in the household is a member. The league cannot communicate in the system with a coach if he or she is not a member.

Games are played on Saturdays from 8:45 am through 4:00 pm (sometimes later depending on gym availability).

**Burlington County Special Services School:** 20 Pioneer Boulevard, Westampton, NJ 08060

For games scheduled at Special Services School, turn onto Pioneer Blvd. The school will be on your right as you continue on the road to the back of the school. We are using the Central gym, so please enter through Westampton door #15 (next to the greenhouse). The gym is on your left as soon as you enter the school.

**Holbein Middle School:** 333 Levis Drive, Mt. Holly, NJ 08060

For games scheduled at Holbein Middle School, please use the doors on the side of the building to enter and exit. These doors take you outside the gym entrance. Look for ENTER HERE signs for the proper doors to enter.

**Westampton Middle School:** 700 Rancocas Road, Westampton, NJ 08060

For games scheduled at Westampton Middle School, please use the main gym entrance, and please do not enter directly into the gym through the outside doors.

For games scheduled at Holly Hills Elementary School, please enter through the main front entrance, and please do not enter directly into the gym through the outside doors.

**League Information:** Standings and other pertinent league information will be on the website. Everything will be listed under **Additional Forms and Files**. We will have staff rotating at each of the gyms throughout the day should you have any questions or need anything. **Playoffs** will be held on the weekend of February 28th. The senior division will play all playoff games on Saturday. The Midgets, Juniors, and Majors will play the preliminaries and quarterfinals on Saturday with the consolations and finals on Sunday, March 1st.

**Team pictures:** Team pictures will be taken on February 7th. Location to be determined. We will send out all picture information once we secure a location.

**End-of-season pizza party:** Pizza party will be held on February 21 after the last regular-season game. More info to come.

**Weather-related cancellations:** We will send an email blast to the entire league and communicate any cancellations. If games are canceled, follow the next week's game schedule. Make-up games will be scheduled as schools are available.

**Next season's indoor soccer registration:** We will start to send league information in September regarding registration dates and times to the current registered household account. The recreation website automatically updates information and will inform you of programs that everyone in your household qualifies to participate in.

**Other league notes:** For the 3rd year in a row, most coaches have been secured, and so we won't have to reach out for additional coaches. We hope this trend continues. The league would like to thank all the coaches for their cooperation, commitment, and completion of the background check process. We will continue to monitor our code-of-conduct policy. If you experience inappropriate behavior, please notify us so we can address the situation in a timely matter. Please remember that we offer our programs to anyone who wishes to participate. You do not have to live in Westampton Township to participate. Please let your neighbors know our programs are available!

We hope you have an enjoyable season!
