

WESTAMPTON MEN'S REC. BASKETBALL RULES AND REGULATIONS

Play begins early November, and concludes end of May.

Max number of participants allowed to register: 30 (after that, waiting list)

Hours are 6:45PM to 8:45PM Tuesdays (Westampton Middle School Gym). All players must prepare to leave gym at 8:45PM so custodians can finish their jobs. Please don't continue to play after 8:45PM and have to be asked to leave.

NO CHILDREN ARE PERMITTED IN THE GYM OR SCHOOL HALLWAY AT ANYTIME. If you don't have anyone to watch your children, stay home.

Games are to be played up to seven point's full court. (This includes the first game also.)

When 16 or more players are in the gym, games will be played up to 7 points, half court, either four on four or five on five.

NO FIGHTING - Anyone involved in an altercation will have his basketball privileges revoked with no refund, and Westampton police will be summoned.

No hanging on rims or throwing of basketball or any other damaging acts in the gym. The first occurrence will provoke a warning. The second occurrence will result in your basketball privilege suspended until further notice.

Do not bring friends or neighbors into the gym to sign up or play. If you know someone interested and lives in the general area (Hainesport, Eastampton, Mount Holly, Lumberton, etc.), they may register on the website before they play. REMEMBER THE MORE PEOPLE WHO SHOW UP DECREASES YOUR PLAYING TIME.

This league is a privilege, so let's not abuse it. Any trouble this year will result in a total league shutdown with no reimbursements.
