Spectators must also remain in the areas designated for viewing the game (bleachers, stage area, or behind the mesh nets) and should never approach the playing field. The officials shall have the power to make decisions on any matters or questions not specifically covered in the rules.

- 1.3 All players must wear non-marking shoes. The shoes must be rubber-soled, athletic shoes. No cleats, street shoes, or boots allowed.
- 1.4 Equipment that may be dangerous to another player (such as hats and bandannas) is not allowed. The league officials/referee will determine if an article is dangerous and will ask the player to remove the article. If the player refuses, he/she will be not be allowed to play in the game.
- 1.5 Injured players are allowed to wear braces, soft casts, and protective coverings provided they are covered with 1/2-inch high-density padding or wrapped with a similar material with the same minimum thickness. - 1.6 Religious medallions, jewelry, rubber bands, chains, rings, or hanging earrings may not be worn. Small earrings may be covered with tape.
- 1.7 Shin guards must be worn at all times and should be covered by socks. Players without shin guards will not be allowed to participate.

2 Players and Substitution

- 2.1 A regulation team on the floor consists of 6 players (one of whom will be the goalkeeper). The keeper may be removed for a 6th field player during the last 2 minutes of a game. At the point the keeper becomes a field player he/she gives up the right to return to play goalie for the remaining time in regulation play. - 2.2 A team may substitute “on the fly.” The player leaving must be off the court of play before the substitute is permitted on. If any irregularities occur on the substitution, a direct kick will be awarded to the team that did not commit the irregularity, from the spot where the ball was at the time the referee blew the whistle. If at any time during a substitution the new player enters and starts to play and the player that was being removed continues to play, the result will be a penalty kick for this infraction.
- 2.3 Goalie substitutions can only be made after a goal is scored by either team or after a time-out is called.
- 2.4 No team shall be permitted to schedule any practice time, outside of the times given by the league.
- 2.5 A Mercy Rule will take effect once a team is down by 5 goals. The team that is behind may add an extra player on the field until the goal differential is 4, then the teams go back to even strength. The extra player can stay on the court as long as they are down by 5 or more goals.

3 The Game

- 3.1 PEEWEE & BANTAM division games will be played in four quarters – 10 minutes each with a continuous clock. There will be a 5-minute half time and 2 minutes between quarters. The clock will only stop during time-outs and for serious injury.
- 3.2 Time-outs are allowed, one per half. Time-out can only be called once the goalkeeper has possession of the ball, after a goal is scored by either team, or after an injury.
- 3.3 A coin toss will determine the start of the game. The winner of the coin toss will choose to kick off in the beginning of the first half or the start of second half. The team that did not kick off the 1st half will kick off the 2nd half.
- 3.4 The referee will whistle the ball into play. The kickoff must be taken from the center of the court. Each team must be on its own half, and the defensive team must be back a minimum of 3 feet. For a legal kickoff, the ball must roll forward at least one full revolution. The player who initially kicked the ball may not touch the ball until another player has touched it.
- 3.5 All kickoffs are direct. If a kickoff is directed straight into the opponent's goal without a second player's touching, the result is a goal.
